- 4) CPB Alumni Network (Procurement of Excellence Programme)
- 5) Sustainable Solar Panels
- 6) Roll out of BIM in public procurement
- 7) Network of Competence Centres (former call CNECT Procure2Innovate)
- 8) Learning network legal Review Bodies Network Eastern Europe

distributed

# Planning Digital Platform

# Measures

## Guidance on third country bidders

- If no GPA/FTA “may be excluded”

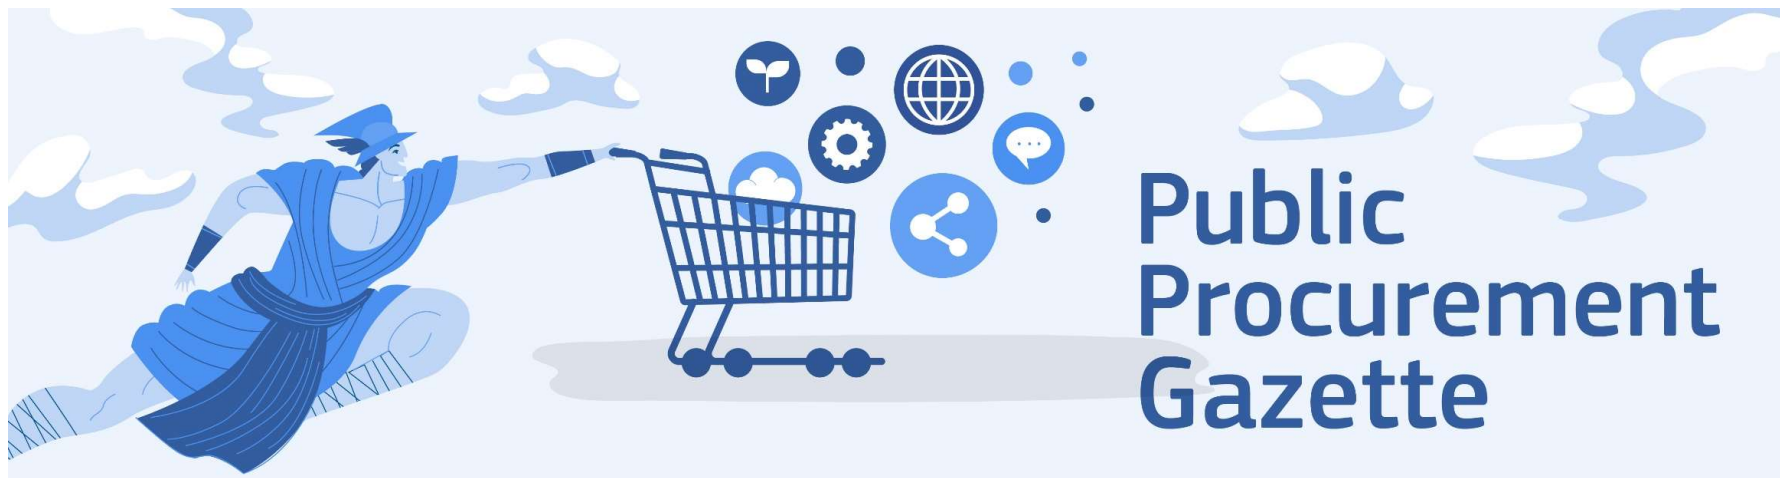

## IPI

- Issue: discrepancy in openness of foreign markets
- Goal: leverage to lead trade partners to open up PP market

## Foreign Subsidies Regulation

- Issue: no tool to tackle distortions caused by FS in the internal market
- Goal: Level the playing field for bids receiving FS

Stay tuned!
